Client

Widely recognised as a vibrant and inclusive multi-academy trust across Cornwall, the Aspire Academy Trust brings together 37 primary schools, integrated nuseries and an outdoor education center.

Solution

Initially installed to support a growing network of schools, Identity Access has delivered reliable and scalable security across the Aspire Academy Trust in Cornwall. Operating across 16 individual sites, the system manages approximately 1,000 users and secures 49 doors, delivering consistent and efficient access control tailored to all of the needs needs of busy school environments.

The system's intelligence supports seamless day-to-day operations for staff, pupils and visitors, while our Web Client enables secure remote access and centralised management across all locations.

> **Identity Access streamlines the administration of 16 individual sites, delivering a more efficient and centralised management experience.**
