Solo 2
In cabinet with power supply
Part Code: AC-3300

The Solo 2 from Controlsoft is a standalone Access Control Unit, providing cost effective access control for two door applications using Wiegand readers. Up to four readers can be connected giving you IN/OUT readers for two separate doors.

This unit is compatible with Wiegand readers, such as Controlsoft, HID or other 3rd party readers or keypads.

This unit comes in a cabinet with a three amp power supply. The cabinet is designed to house a standard 7AH backup battery.
